

FRAGOLA

LIQUORE ALLE FRAGOLINE DI BOSCO

BT

Natural liqueurs and infusions

Following the high quality of Bepi Tosolini distillates, **FRAGOLA** is completely natural without artificial aromas, colourings or additives to meet the international demanding and cutting-edge palates. The recipe is very simple to capture the unique and undistinguishable taste of small wood strawberries. Totally natural 100%; over 2 weeks of preparation and infusion after harvesting guarantee an extraordinary taste.

0% PRESERVATIVES, 0% ARTIFICIAL AROMAS

VARIETAL:

infusion and distillate of small wood strawberries

ALCOHOLIC CONTENT:

24% vol.

ARTISANAL DISTILLATION:

manual distillation in ancient botanical stills

COLOR:

intense strawberry red

TASTING NOTES:

dominant and enveloping notes of small wood strawberries, sweet and tasteful. Intense to the palate, its strawberries are unexpectedly pulpy and enjoyably alcoholic, pleasantly contrasting to its sweetness.

SERVING SUGGESTIONS:

neat or on the rocks, excellent to prepare cocktails, especially Kir Royal, the international cocktail with Champagne.
