COFFEE LIQUEUR

BT

Natural liqueurs and infusions

Bepi Tosolini's new range of traditional Italian liquors is SPEZIERIA. Following the high quality of Bepi Tosolini distillates, SPEZIERIA is completely natural without artificial aromas, colourings nor additives to meet the international demanding and cutting-edge palates. **EXPRÈ** coffee liquor is obtained with the best Arabic quality raw material to recall the Italian "espresso" famous worldwide. The distillation and infusion of the coffee beans give Exprè a typical taste of our coffee break.
