

MYRTIL

BLUEBERRY LIQUEUR
WILD

BT

Natural liqueurs and infusions

Following the high quality of Bepi Tosolini distillates, **MYRTIL** is completely natural without artificial aromas, colourings or additives to meet the international demanding and cutting-edge palates. The recipe is very simple to capture the unique and undistinguishable taste of wild blueberries. Totally natural 100%; over 2 weeks of preparation and infusion after harvesting guarantee an extraordinary taste.

0% ARTIFICIAL AROMAS, 0% COLOURINGS, 100% NATURAL

VARIETAL:

Distillate and infusion of wild blueberries

ALCOHOLIC CONTENT:

24% vol.

ARTISANAL DISTILLATION:

manual distillation in ancient botanical stills

COLOR:

dark night blue

TASTING NOTES:

outstanding taste, slightly sweet with enveloping notes of juicy wild blueberries. Unexpectedly delicate to the palate.

SERVING SUGGESTIONS:

perfect neat or chilled, ideal as main ingredient for wild fruit cocktails.
